

## **Trendy dip-dye style: Poly Ball Urban Summer Edition**

One of the most beautiful trends in the fashion & beauty scene inspired the design of this limited edition: in a trendy dip-dye style, the Poly Ball Urban Summer exudes Caribbean flair and inspires all kinds of creative moments. In the shades Sunrise and Sunset, it cuts a fine figure everywhere - at your desk at home or on the go as a cool companion in your beach bag. In addition to its trendy look, the Poly Ball also scores points with its non-slip soft-touch surface, ergonomic grip zone for particularly comfortable writing and XB refill that glides smoothly over the paper. A clear sign for the environment: the plastic parts of the Poly Ball Urban are made from 64% recycled plastic.
